

Equipment Mechanic

Mystic Golf Club (GolfNorth Properties Inc.)

Location: 1707 Jerseyville Road W, Jerseyville, ON

Department: Turf

Reports To: Course Superintendent

Classification: Full Time or Part Time Hourly with the possibility of extending this position to year-round, based on appropriate qualifications.

Salary: Based on necessary skills, qualifications and experience (golf course privileges)

Summary:

The equipment technician reports to the Golf Course Superintendent and oversees a comprehensive preventive maintenance program for the golf course assets. This program includes the diagnostics and repair of equipment, record keeping of parts and labor needed to maintain each piece of equipment, and placing orders for parts and supplies needed for equipment or service. The equipment technician properly communicates any needs or problems relating to the maintenance or repair of equipment to the Superintendent. The equipment technician places safety as a top priority and is responsible for maintaining a clean service area and maintenance building. This position also includes periodic duties operating various types of equipment.

Primary Responsibilities:

- Performs routine maintenance and repairs on all golf course equipment including gas-, and diesel-powered equipment
- Skill in the use of a variety of equipment repair tools, and the making of various types of mechanical repair.
- Working knowledge of the theory, care, and operation of internal combustion engines and mowing equipment.
- Ability to stay organized and plan ahead.
- Conduct regular inspections, ensure compliance with company Health & Safety policies. Keep the shop clean and organized.
- Ability to move heavy objects.
- Set and adjust mowers to maintain cutting quality.
- Ability to work in a variety of weather conditions while repairing equipment.
- Ability to diagnose mechanical troubles and determine appropriate maintenance work.
- Ability to communicate effectively and keep business records.

- Knowledge of and/or ability to play the game of golf and understand how job performance affects the playing conditions of the golf course.
- Be ready to take on new tasks as needed.
- Possession of a valid driver's license.
- Prior experience is preferred.
- Basic computer skills.

Qualifications

- Experience as a mechanic, ideally in golf-turf or an automotive setting
- Strong knowledge of gas and diesel equipment
- Ability to work independently and as a member of the team
- A commitment to high standards

To Apply:

Please submit your resume and cover letter to Peter Asma via email at superintendent.mystic@golfnorth.ca. Please write "Mystic - Equipment Technician" in the subject line.
