

Equipment Manager

Grey Silo Golf Club

Location: Waterloo, Ontario,

Department: Grounds Maintenance

Reports To: Golf Course Superintendent

Classification: Full-time & part-time seasonal available (must be available to work any shift including early mornings, days, evenings, weekends, and holidays)

Summary:

The equipment manager reports to the Golf Course Superintendent and oversees a comprehensive preventive maintenance program for the golf course assets. This program includes the diagnostics and repair of equipment, record keeping of parts and labor needed to maintain each piece of equipment, and placing orders for parts and supplies needed for equipment or service. The equipment manager properly communicates any needs or problems relating to the maintenance or repair of equipment to the Superintendent. The equipment manager places safety as a top priority and is responsible for maintaining a clean service area and maintenance building. Salary is based on experience.

Qualifications:

- Working knowledge of light and heavy maintenance equipment and automotive apparatuses.
- Skill in the use of a variety of equipment repair tools, and the making of various types of mechanical repair.
- Working knowledge of the theory, care, and operation of internal combustion engines and mowing equipment.
- Ability to move heavy objects.
- Ability to work in a variety of weather conditions while repairing equipment.
- Ability to diagnose mechanical troubles and determine appropriate maintenance work.
- Ability to communicate effectively and keep business records.
- Knowledge of and/or ability to play the game of golf and understand how job performance affects the playing conditions of the golf course.
- Possession of a valid driver's license.
- Grinding reels, bedknives and setting HOC on various units
- Ability to assess mower performance in field
- Prior experience is preferred
- Basic computer skills; record keeping.
