CART DISCOUNT PROGRAM & SEASONAL CART PROGRAM ADD-ON DISCLAIMER

The price paid for the Cart Discount Program & Seasonal Cart Program, as applicable, is based on double occupancy of a full cart. If your group includes two golfers with cart privileges, you must ride together (unless government regulations specify otherwise). Cart Discount Program & Seasonal Cart Program are both non-transferable.

You must notify the pro shop of any person or person's equipment riding with you during a round. Those not obeying this rule will lose their Cart Discount Program & Seasonal Cart Program privileges without refund.

The price paid covers you for the 2023 golf season, from course opening to October 31, 2023 inclusive. Cart privileges do not extend beyond October 31st. You may use a golf cart for as many rounds as you like during the season, but you will not receive a refund if you have failed to fully utilize your Cart Discount Program or Seasonal Cart Program.

The Seasonal Cart Program does not entitle you to use a cart for practice sessions or spectator purposes. You acknowledge that there are certain risks of physical injury and agree to assume all risk of injury with respect to injury to persons or property which you, or any other person operating the golf cart rented under this agreement, may sustain or cause. You agree to reimburse GolfNorth for all charges resulting from damages to the cart or other property caused by the golf cart rented under this agreement, except for ordinary wear and tear to the golf cart itself. Such reimbursements shall be paid on the credit card account that you have provided to GolfNorth.

You hereby irrevocably authorize GolfNorth to charge your credit card an amount that GolfNorth believes is sufficient to repair all such damages. You understand and acknowledge that a person must be 18 years of age or older with a valid driver's license to operate a golf cart.
