If you are a Conestoga level member or above, your golfing fees are paid through your membership. If you hold a membership from a lower level, you are entitled to the league fee OR your discount off the regular rate for that tee time. Cart rates will be \$16 tax included, if you are a member with a cart discount program, your 50% off will be applied to the regular cart rate. We will add a \$5 weekly prize fund fee. This fee will assist in the delivery of sampling days and course contests.

League play will be available anytime during the day and blocked off from 3:00PM until close on two 9's exclusively for the league (If number of registrations permit). We will

be putting together sampling and appreciation nights, with enhanced on course contests.

ON COURSE RULES

PLEASE READ: **WE WILL BE PLAYING WINTER RULES THIS YEAR.** You may move or “tip” your ball within a scorecard’s length anywhere through the green. You cannot change cuts or move the ball out of a water hazard or hazard staked area; If your ball ends up in a bunker, please lift and place your ball to avoid having to play in a footprint BUT remain in the sand trap.

You still must hole **ALL** your putts. If you are caught not putting out or giving/taking gimmies, your 9 hole score will not count. All players will play from the Red tees for scoring purposes unless you on your own accord choose to play from the white or blue tees.

If we have to change to lift clean and place due to weather, we will let you know before your round.

There will be no out of bounds. Play everything as a lateral hazard. You will take a 1 stroke penalty and take a drop where you lost your ball or went into a hazard where any stakes lie. You must drop 2 club lengths from entry or can re hit from your original position. For lost balls, drop a ball in the area you and your partners deem to have lost the ball. Add a 1 stroke penalty and continue play. These rules will help out with pace of play!

WEATHER/MAKE UP GAMES

If the course is open for play and 40% of the league posts a 9-hole score the week will be deemed official. If we must cancel a Tuesday of a given week due to weather there will be no make up date, we will just adjust the total number of weeks of the league.

YEAR END BANQUET PRIZE DISTRIBUTION:

We will be doing a buffet dinner and prizes on Tuesday Sept 24th, 2024 at 6:30 PM in the Clubroom or outside under a tent (numbers dependent). We will award prizes based on the order of merit; this is the total of points accumulated throughout the season based on the table listed previously. The more scores entered throughout the season the earlier you will be called to the prize table. This is not a scheduled league night; therefore, golf is optional, and you are more than welcome to play at anytime throughout the day. The cost of the banquet (Food and Prizes) is included in the registration costs. Doors open @ 6:00pm. The set up of the banquet is dependent on the number of players due to spacing.

HAVE FUN & ENJOY YOUR SEASON WITH US!
