2026 GolfNorth Cover Members of the Year

The best part of the game is sharing it with others.

Membership is more than a pass to play—it's your connection to golfers who share the same love for the game, the outdoors, and the simple joy of a round well spent.

A GolfNorth Membership opens the door to new playing partners and countless opportunities to connect. Welcome to a community that values time together just as much as the game itself!

Multi-Course Membership Means More Ways to Play

Improve your skills, meet new friends, and explore different courses with our Multi-Course Memberships.

As a Multi-Course Member, you enjoy full playing privileges at your home course and gain access to all other GolfNorth courses at your chosen price point or below—all at no additional cost.

Want to try a course above your price point? Multi-Course Members receive a 25% discount on green fees for those courses, too!
