2026 GolfNorth Cover Members of the Year

A woman with blonde hair, wearing a bright pink short-sleeved shirt, a matching pink baseball cap with a white Nike swoosh, and sunglasses, is captured in the middle of a golf swing. She is wearing patterned shorts and white athletic shoes. The background shows a lush green golf course with trees under a soft, hazy sky. A pink golf ball is visible on the grass to the right.

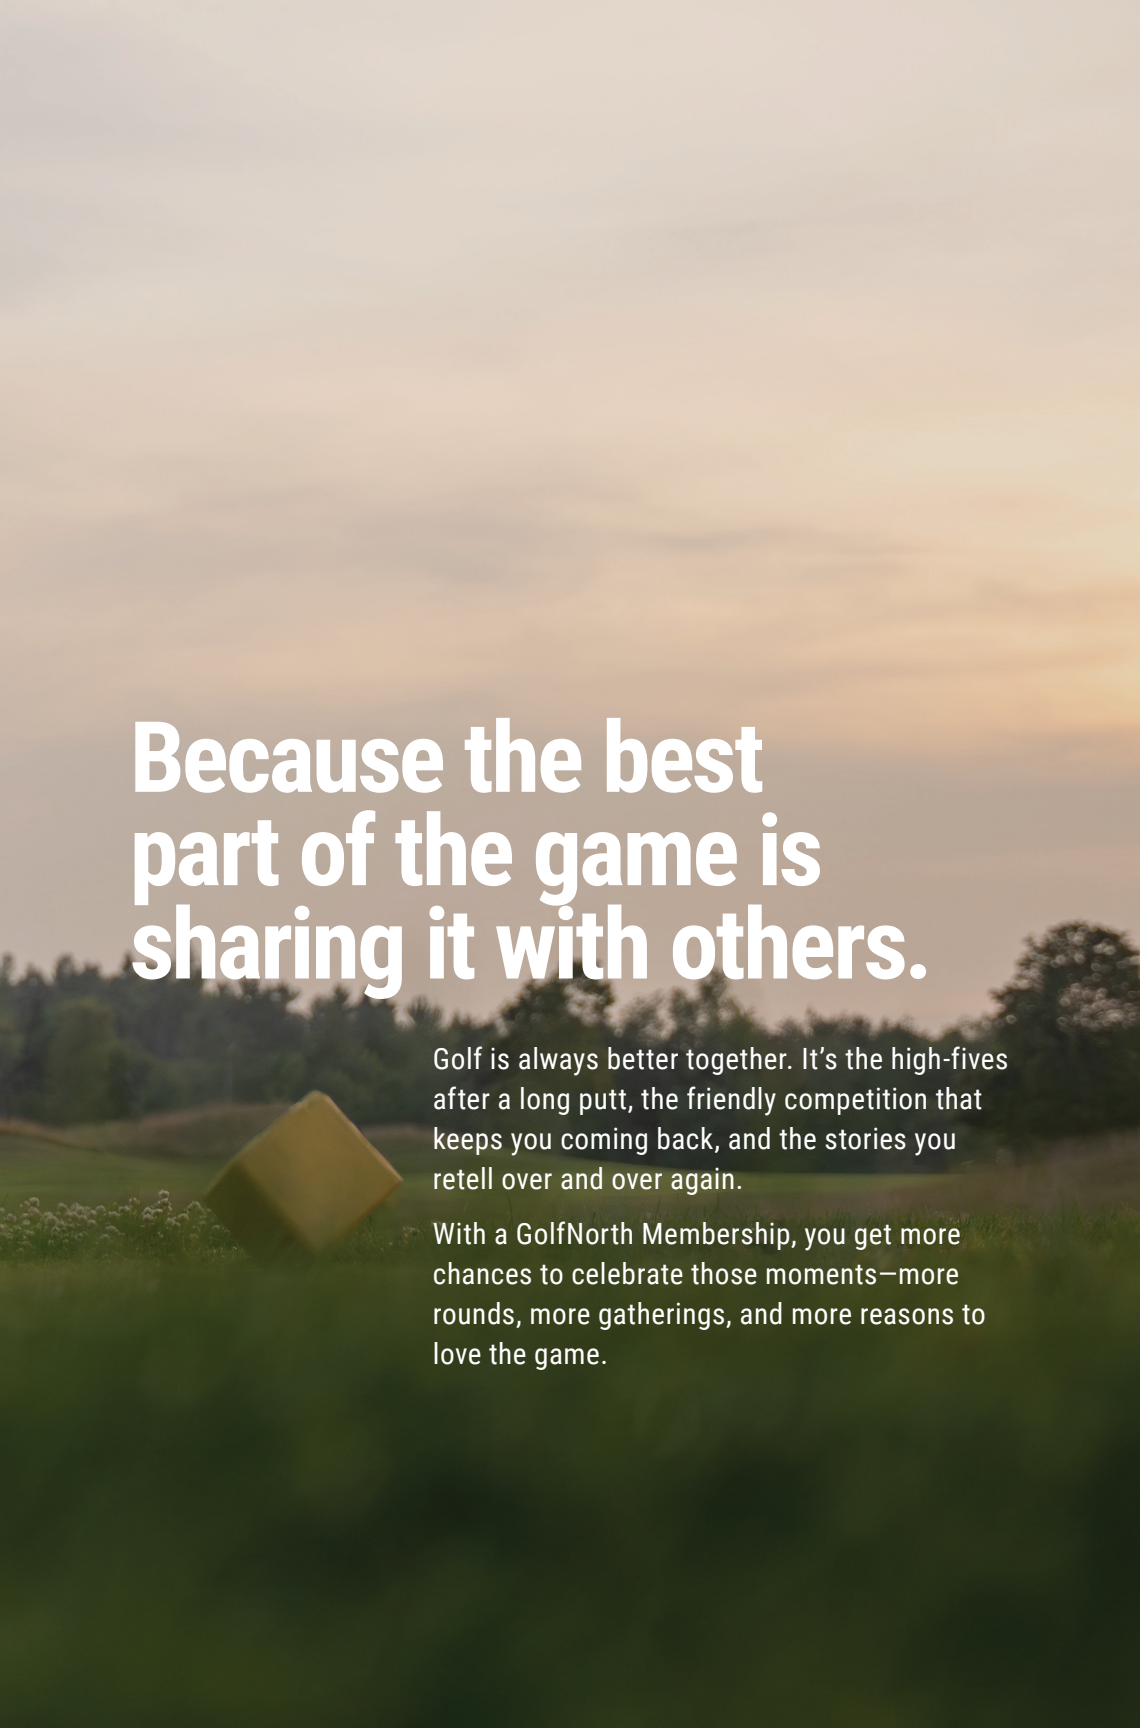

**Membership  
is the start of  
something better.**

# At GolfNorth, we are building a community of golfers across Canada.

Membership is more than a pass to play—it's your connection to golfers who share the same love for the game, the outdoors, and the simple joy of a round well spent.

A GolfNorth Membership opens the door to new playing partners, familiar faces, and countless opportunities to connect, wherever your season takes you. Every round is about more than golf. It's about being part of a community that values time together just as much as the game itself!

A photograph of a golf course at sunset. The sky is a mix of soft orange, pink, and grey. In the foreground, a yellow diamond-shaped marker sits on a green grassy area. The background shows a line of trees and a distant golf course.

# Because the best part of the game is sharing it with others.

Golf is always better together. It's the high-fives after a long putt, the friendly competition that keeps you coming back, and the stories you retell over and over again.

With a GolfNorth Membership, you get more chances to celebrate those moments—more rounds, more gatherings, and more reasons to love the game.

# Meet Our 2026 Cover Members

**Kim Lichti and Andrea Ireland are proof that golf is even better with friends.**

As GolfNorth Multi-Course Members, they make the most of their season by exploring new courses together, walking the fairways 3–5 times a week, and enjoying the variety and flexibility that comes with their membership.

What started as a way to stay active has grown into something much more meaningful—a chance to spend time together, unwind from busy lives, and connect through the game.

Their friendship and enthusiasm for the GolfNorth community make them a shining example of what it means to be part of the GolfNorth family.

Spending time with my best friend while doing something I absolutely love—good shots, bad shots, and everything in-between—there's not much better than that."
