WEDDINGS

Congratulations on your upcoming wedding, and thank you for considering Paradise Valley Golf Course as a venue for your special day!

Our location is second to none, nestled alongside the scenic Seven Persons Creek and below the famous Medicine Hat Teepee. We specialize in smaller, more intimate events, and offer several options for your celebration. The outdoor creekside arbour and covered patio are very popular during the summer months, but we also have two cozy indoor areas for winter weddings.

Our catering team, led by Chef Stephanie Saucier, has a well-earned reputation in Medicine Hat for providing exceptional cuisine, and our staff take enormous pride in providing outstanding service. We hope to have the opportunity to work with you, and would love to customize the meal as well as the overall event to suit your individual tastes.

This package provides information about our venue, pricing considerations, and terms & conditions. We look forward to making your wedding day memorable and as stress-free as possible.

Thank you for considering Paradise Valley Golf Course to host your upcoming event. We are eager to assist you with every detail and fully expect to exceed your expectations. Please review the following guidelines and policies.

Catering

Our Coordinator and Chef will work with you personally to design a menu that will delight you and your guests. Whether you are interested in a 5-course gourmet dinner, a traditional buffet, or a standing cocktail reception, we have menu suggestions to meet your needs.

- We will provide you with menu suggestions and current pricing, to be verified prior to your event. Prices may be subject to change based on market conditions.
- Events held at The Clubhouse Loft or Banquet room require catering to be provided by Paradise Valley Golf Course staff (with the exception of a wedding cake).
- If you prefer to use an outside catering service, you are welcome to do so in our outdoor patio area, but we are unable to provide access to kitchen facilities aside from the BBQ itself.
- Health regulations prohibit the removal of any food products from the premises after an event. Buffet products will be displayed for a maximum of 1 hour at any function to ensure the quality and integrity of the product. A 1 hour time period is allowed for the service of all plated meals.
- If you would like our assistance with plating and serving your cake, we are happy to do so. A nominal \$3 per person fee will be added to your final invoice.
- Please advise our Coordinator of any dietary substitutions required no later than 5 business days prior to your event. Charges may apply for any special requests made on the day of the event.
- All food and catering services will be subject to a 18% gratuity in addition to GST.

Beverage Service

- All prices include professional bartender service when food is provided by Paradise Valley Golf Course.
- Due to Alberta Gaming & Liquor Regulations, all alcohol must be supplied and served by Paradise Valley Golf Course staff. We reserve the right to end ALL beverage service if outside beverages are found on-site. This includes but is not limited to the function space, parking lot, and outdoor areas.
- Customers may bring in their own wine to the clubhouse and/or remove partially consumed bottles as per discussion with Coordinator. A Corkage fee of \$15.00 plus gst & gratuity per bottle will be charged. Homemade wine is not allowed, nor is hard liquor - only commercially manufactured wines as per AGLC regulations.

- The service of alcohol beverages is subject to the inclusion of food. Paradise Valley is licensed to serve alcohol for special events from 9:00 am to 1:00 am.
- We are happy to provide you with a non-alcoholic punch bowl with unlimited refills. A fee of \$100 will be added to your final invoice.
- All beverage prices include GST and will be subject to a 18% gratuity

Additional Services

- Included in your venue rental fee is one complimentary set-up and tear-down.
- If you require changes to the layout on the day of the event, either prior to or in order to "flip" the room between a meeting and reception (for example), an additional fee will be incurred.
- All decorations, personal belongings and equipment must be removed from the function rooms at the end of your event, unless authorized by our Coordinator.
- Please ensure that ALL room setup requirements, power requirements, entertainment, music, and special requests are discussed well in advance of your event.
- Extension cords and power bars are available for a \$5 rental fee each.
- Please discuss all decorating plans with our Coordinator to ensure that approved supplies are used where required. Tacks, pins, nails & staples are not permitted.
- We are more than happy to assist you with decorating and extra setup requirements at a cost of \$50 per hour.
- DJ services or bands will be allowed to set up on the day of your function, at a time agreed to by our Coordinator.
- Battery operated or candles with a protective covering will be permitted, but must be discussed and approved by our Coordinator for safety reasons.
- Any additional / excessive cleaning fees which may be incurred will be added to your final invoice.
- Paradise Valley reserves the right to remove any signage that is not prepared in a professional manner or is deemed rude or sightly.

- Smoking will be allowed in designated smoking areas only.
- Music and dances are required to end by 1:00 am, and the facility must be vacated by 2:00 am. Our staff is more than happy to arrange for taxi service if required.
- Access to our facility for viewing and setup will depend upon availability. Please contact our Coordinator for assistance.

Deposits, Payments and Cancellations

- To secure your event date, Paradise Valley requires the signed contract and a deposit equal to your facility rental fee including GST. All bookings are tentative until these requirements are met.
- A valid credit card number is required at the time of booking to be listed in the event file for any damages incurred.
- Final numbers are to be submitted 5 business days prior to your event. In case of a discrepancy between the guaranteed number of guests and the actual guests in attendance, you will be invoiced for the greater number. Your number of guests may increase within the 5 business days prior to your event with the approval of the Coordinator.
- If for some reason you must cancel your event, deposits will be refunded up to 2 months in advance. All deposits are non-refundable within the 2 months prior but can be transferred to a new event date (unless cancellation is within 1 week)..
- Invoices will be delivered via email to your Coordinator within 14 business days afterwards, due upon receipt.
